S.NO.	Query	ONGC RESPONSE
1	Please provide Gas composition and specification of gas on offer	Shared
2	Regarding price bid we suggest allowing matching of price bid till the point availavble/allocated gas volume is not exhausted at same price bid. It is also requested to keep starting price bid at 0.00 instead of 0.10	The bidder's request cannot be agreed.
3	Since the field is not connected to any transmission network/ pipeline and considering the time required develop requisite offtake infrastructure or make any alternate arrangement for offtake of gas , it is requested to a) Increase the maximum duration of offtake commencement from 120 days to 365 days. b) Provide for further reasonable extention for reasons beyond bidder control in the RFP/GSA c) Provide additional time for evaluating feasibility of offtake through alternate means and thus we request extension of technical and e-auction bid timelines	a) At this stage, the bidder's request cannot be agreed. b) The bidder's request cannot be agreed. c) The bidder's request may be agreed.
